ABOUT ME

I am a motivated and enthusiastic individual who is passionate about technology and programming. Although I don't have any professional experience yet, I am constantly learning and improving my skills on my own time. I am eager to gain practical experience through internships and apply my skills in a real-world setting. Outside of programming, I enjoy reading, painting and spending time with my family and friends.

COMPETENCES

Soft skills:

- active listening
- critical thinking
- teamwork
- self-motivated
- patience

Hard skills:

- Programming languages: intermediate in C, Java (currently learning)
- Database management: SQL (currently learning)
- Web development: HTML, CSS, JavaScript (currently learning)

LANGUAGES

Romanian - Native

English - Professional working proficiency (B2)
